EXPERIENCE

PCET's Digital marketing team

07/2021 - 11/2021

Developer Intern

- Managed a team of 4 members, developing and deploying a civil engineering website, **boosting traffic by 20%**.
- Enhanced the accuracy, up-to-date content, and consistent quality of 5 website tabs.
- Collaborated with team members and successfully deployed the project in 2 months, ensuring a seamless transition from **development to production**.

SKILLS

Programming Languages: JavaScript, Python — **Web Development:** HTML, CSS, Bootstrap, React Js, MySQL, Git-Github

EDUCATION

BE in Computer Science Engineering

CGPA- 8.03

Pimpri Chinchwad College of Engineering | Savitribai Phule Pune University

Graduation Year: 2023

PROJECTS

2-Step Verification System for Fraudulent Transaction Detection - (Final year project)

- Conducted in-depth research on fraudulent transactions, **analyzed 15 papers** to identify patterns that improved detection and prevention methods.
- Implemented a two-step verification system **reducing fraud by 80%**.
- Published **2 research papers** including a comparative analysis of ML algorithms and practical implementation using image verification.

Slot Machine Game - ([Github](#) | [Demo](#))

- Developed a **Python**-based slot machine game with user interactions, random outcomes, and balance management.
- Used **lists, dictionaries, functions** and **random number generation** for building game logic.

Web based Hand Cricket Game - ([Github](#) | [Demo](#))

- Deployed interactive web-based hand cricket game using **HTML5, CSS3, JavaScript, React Js**.
- Established **game logic** to simulate hand cricket rules and scoring system.
- Designed a mechanism for declaring the batsman out and adding runs incrementally based on the scores.

Minor projects - Healthcare app([Link](#)), Netflix clone([Link](#))

INVOLVEMENT

Professional Cricketer - *Pune and Jabalpur District and Division cricket team*

Led cricket teams of Pune and Jabalpur as **vice-captain** in age categories (under 12, 17, and 19) across district and division.

Sports Cell Head - *Computer Engineering Student Association*

Organized and managed **4 events** throughout my tenure as the **head of Sports Cell** at Pimpri Chinchwad College of Engineering ACM student chapter.
